

Riedel Wineglass

"The Riedel family has never stamped its name on a single bottle of wine. But over the past 50 years, this Austrian clan of master glassmakers has done more to enhance the oenophile's pleasure than almost any winemaking dynasty."

Time Magazine

"Heightens the senses, a hedonistic pleasure for wine. Riedel translates the bouquet, taste and finish of all my wine. That is why I only drink from Riedel. Please enjoy"
